

*Her Journey's
Just Began*

*Don't think of her as
gone away- her journey's
just begun, life holds so
many facets- this earth
is just one...*

*Just think of her as resting
from the sorrows and the tears in a place of warmth and
comfort where there are no days and years.*

*Think how she must be wishing that we could know today
how nothing but our sadness can really pass away.*

*And think of her as living in the hearts of those she touched...
for nothing loved is lost- and she was loved so much.*
