Miss Me - But Let Me Go...

When I come to the end of the road

And the sun has set for me,

I want no rites in a gloom filled room,

Why cry for a soul set free

Miss me a little- but not too long,

And not with your head bowed low.

Remember the love that we once shared,

Miss me - but let me go.

For this is a journey that we all must take,

And each must go alone.

It's all a part of the Master's plan,

A step on the road to home.

When you are lonely and sick of heart,

Go to the friends we know.

And bury your sorrows in doing good deeds,

Miss me - but let me go.

*The family wishes to express their appreciation for your
kindness and support during this difficult time.*
