***Miss Me -
But Let Me Go...***

*When I come to the
end of the road
And the sun has set for me,
I want no rites in
a gloom filled room,*

Why cry for a soul set free

*Miss me a little- but not too long,
And not with your head bowed low.*

*Remember the love that we once shared,
Miss me - but let me go.*

*For this is a journey that we all must take,
And each must go alone.*

*It's all a part of the Master's plan,
A step on the road to home.*

*When you are lonely
and sick of heart,
Go to the friends we
know.*

*And bury your sorrows
in doing good deeds,
Miss me - but let me go.*
