I'M FREE

Don't grieve for me, for now I'm free!
I'm following the path God laid for me.
I took His hand when I heard Him call.

I turned my back and left it all.

I could not stay another day

To laugh, to love, to work or play.

Tasks left undone must stay that way,

I found my peace at the end of day.

If my parting has left a void,

Then fill it with remembered joy-

A friendship shared, a laugh, a kiss,

Oh yes, these things I too will miss.

But be not burdened with times of sorrow.

I wish for you the sunshine of tomorrow!

My life's been full, I've savored much-

Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief

Don't try to lengthen it with undue grief.
