

A Celebration of Life

Her Journey's Just Begun

*Don't think of her as gone away—
her journey's just begun,
life holds so many facets—
this earth is just one...*

*Just think of her as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.*

*Think how she must be wishing
that we could know today
how nothing but our sadness
can really pass away.*

*And think of her as living
in the hearts of those she touched...
for nothing loved is lost—
and she was loved so much.*
