## FINAL HARVEST

He was bound to the land from the day of his birth  
His roots anchored deep in the fertile earth  
Nurtured, sustained, by the soil he grew  
And his life, like furrows, ran straight and true.

In faith, each spring, he planted the seeds  
In hope, to reap his family's needs  
With patience, he waited for the harvest to come  
To gather the fruits of his labor home.

Ever turning seasons, the years sped past  
Till the final harvest came at last  
Then claimed anew by beloved sod  
He was gathered home to be with God.

### THE SHEAF OF WHEAT. . . SYMBOL OF CHRISTIAN FAITH

The seeds of faith are sown in the human personality and grow into the mature faith of the Christian man or women. The sown seed must lose its life in order that it may develop and grow and multiply . . . . So, symbolically, a sheaf of wheat is used by Christians to mark the passing of a fellow Christian. Death is not the end but the beginning of life eternal. The mature grain in the sheaf is the direct symbol of the Resurrection - - - the life beyond the grave, the fulfillment of the Promises of Jesus Christ.
