*God saw he was getting tired,
And a cure was not to be.*

*So He put His arms around him
And whispered, “Come with Me.”*

*In tears we watched him suffer
And saw him fade away.*

*Although we loved him dearly
We could not make him stay.*

*A heart of gold stopped beating.
Hardworking hands now rest.*

*God broke our hearts to prove to us.
He only takes the best.*

*The family wishes to express their appreciation for
your kindness and support during this difficult time. Please
join them for fellowship following the graveside service.*
