The family wishes to express their appreciation for your kindness and support during this difficult time. Please join them for lunch and fellowship immediately following the service.

You don't need to say
you're Sorry it's written in
your face. I know you share
my sadness by the
warmth of your embrace.

Don't try to justify the "why",
or "how" this came to be
Or explain away the myst'ry
of death's reality.

Just know that more than any words
the thing I hold most dear
Is the friendship in your handshake
and the fact that you are here.
