His Journey’s Just Begun

*Don’t think of him
as gone away—
his journey’s just begun,
life holds so many
facets—
this earth is just one...
Just think of him as resting
from the sorrows and the*

*tears in a place of warmth and
comfort where there are no days and years.*

*Think how he must be wishing that we
could know today how nothing
but our sadness can really pass away.*

*And think of him as living
in the hearts of those he touched...*

*for nothing loved is lost—
and he was loved so much.*
