

Remember Me

Remember me with smiles not tears,
For all the joy, through all the years.
Recall a closeness that was ours,
A love as sweet as fragrant flowers.

Don't dwell on thoughts that cause you pain,
We'll see each other once again.
I am at peace...try to believe,
It was my time, I had to leave.

But what a view I have from here,
I see your face, I feel you near.
I follow you throughout the day,
You're not alone along the way.

And when God calls you, you will be,
Right by my side...right here with me.
Till then, I'll wait by heaven's door,
We'll be united evermore!

BENEDICTION

MY DEAR BABY SISTER *Gail* IN HEAVEN

I sit here pondering how much I’d like to talk with you today,

There are so many things that we didn’t get to say.

I know how much you cared for me,

And how much I care for you.

An Angel came and took you by the hand and said

“Your place is ready in Heaven far above,

And you had to leave behind all those you love”.

You had so much to live for,

you had so much to do.

It still seems impossible that God was talking to you.

And though your life on this earth is past,

in Heaven it starts anew.

You will live for all eternity just as God has promised.

And though you have walked through Heaven’s gates,

We are not far apart.

For everytime I think of you,

you’re right here deep within my heart.

I Love You my baby sister, my Gala

Love Beverly
