

### **A Logger's Prayer**

*Be with me Lord throughout this day, may your breeze be gentle today, to keep the trees from falling my way. Lord, hold up the logs while I boom them down, it sure is good knowing you're around. Lord, may your mountains not be so steep as I drive down with a big load behind my back and only a prayer beneath my feet. Lord, you know you're the best worker that I have found and I know you work overtime keeping me safe and sound.*

*On behalf of the family, we wish to express their sincere appreciation for your many kindnesses evidenced both in thought and in deed, and for your attendance at this service.*

*When I come to the end of the day,  
And the sun has set for me,  
I want no rites in a gloom-filled room,  
Why cry for a soul set free?  
Miss me a little, but not too long,  
And not with your head bowed low.  
Remember the love that we once shared,  
Miss me, but let me go.  
For this is a journey we all must take,  
And each must go alone.  
It's all part of the Maker's plan,  
A step on the road to home.  
When you are lonely and sick of heart,  
Go to the friends we know,  
And bury your sorrows in doing good deeds,  
Miss me, but let me go.*

*In Honored Memory...*
