

Don't remember me with sadness  
Don't remember me with tears  
Remember all the laughter  
We've shared through out the years  
Now I am contented  
That my life is worthwhile  
Knowing that as I passed along the way  
I made somebody smile  
When you are walking down the street  
And you've got me on your mind  
I'm walking in your footsteps  
Only half a step behind  
So please don't be unhappy  
Just because I'm out of sight  
Remember that I am with you  
Each morning, noon and night.
