OBITUARY

Danny left this earth peacefully with family by his side on Tuesday, January 18, 2022, in Dallas after an extended battle with cancer. He has achieved his life-long goal of becoming a resident of Heaven.

Danny was born on November 3, 1933, in Point, Texas to parents O.A. "Bud" and Permelia "Sally" (Hamilton) Cupp. He was raised throughout Raines and Hunt Counties. Danny graduated from Bland High School in Merit Texas. Upon graduation, he and some friends went to work for the FBI for 1 year in Washington DC. Upon returning from D.C., Danny lived in Garland and worked for T&P Railroad where he became a computer system analyst. He was drafted in 1955 and served in the US Army in Korea. After working for the railroad and other companies, he started his own successful computer service company in the mid 1960's. He moved to Lucas, Texas and went to work for the Army and Air Force Exchange Service. While working for AAFES Danny's work took him to Virginia, Mississippi, Madrid, Spain and to Germany. Danny returned to the computer field and finished his career at the EPA in Dallas, Texas.

Danny and Shirley Cain Cupp were married for over 37 years and made their permanent home in the Edgewood community. Danny was an active member of the First Baptist Church in Edgewood, and also a member of the Texas Baptist Men organization where he helped building churches and working on the disaster team. He was a devoted and loving husband, big brother, father, and grandfather. An avid sports fan, he loved to watch his grandkids play sports. He loved his family as he loved his Lord. He is preceded in death by his parents, and infant sister Louise Cupp.
