

Afterglow

I'd like the memory of me
to be a happy one.

I'd like to leave an
afterglow of smiles
when life is done.

I'd like to leave an echo
whispering softly down the ways...
Of happy times, and *laughing* times,
and bright and sunny days.
I'd like the tears of those who grieve
to dry before the sun,

Of happy *memories* that I leave
when life is done.
