

My Angel

My Angel NaTasha
Please Dear Lord I call upon thee,
I'm hoping that you can see and hear
me

My beautiful daughter NaTasha was
in an accident and now is gone, can
you open your heavenly gates and
let her come home.

Although her time here on earth was
short, I can't go against your plan,
Reach down for her and take her by
the hand,

Make her one of your angels this I
ask of you, bless her Lord only you
know what to do.

She will be missed but I know she's
in a better place.

I can now look to the sky and see
her pretty face. I will miss and love
you Tasha now and forever, but I'm
blessed to know that you and your
mother are now together.

Your Father

Dove To Heaven

I'm sending a dove to Heaven
with a parcel on its wings
be careful when you open it
it's full of beautiful things

Inside are a million kisses
wrapped up in a million hugs
to say how much I miss you
and to send you all my love

I hold you close within my heart
and there you will remain
to walk with me throughout my life
until we meet again.

NaTasha attended Hoke High School and graduated with the class of 1996. While in high school, Tasha played volleyball, basketball, and softball. NaTasha loved to be outside with her cousins and ride her dirt bike as a kid. Natasha loved living life to the fullest. She lived for a good time, music, and dancing. NaTasha was a feisty, and loving woman and she will be greatly missed.

She was introduced to Miguel shortly after being back here and from that day they have been inseparable. He brought sunshine and happiness that she thought she would never see again. She was not only his SOUL MATE, but she was his BEST FRIEND! She is and will always be his Starr, and he will always and forever be her Poppa. NaTasha "Starr" was also a member of the People Choice Motorcycle Club of Hartsville, SC.
