

Shirley's Change of Address Letter

Dear Family and Friends please be advised that I have moved....

I received a call the other day from God, and he informed me that my new home was complete. I knew that my mansion needed some finishing touches and Jesus Christ had to inspect it and give me the final approval.

On Sunday, September 20, 2020, he let me know that my mansion was complete and that I could move in, so he told me to go ahead and change my address.

Well, my new home is furnished and what a sight to behold. Its located in an exclusive estate area behind a beautiful pearly gate of course you know the streets are paved with gold & every day is Sunday, just like you've been told. Trees of fruit grace my garden here and I can walk and talk with my Master, with not a worry or care.

There is a peace here along with joy, happiness and no pain or heartache, no strife of discontent, only sweet, serenity. I can dine at the Master's bountiful table and listen to heavenly choir and best of all, my Heavenly Father is here in all of His Glory; and yes, I have my own designer, who has fitted me with my very own white robe and my very own wings. I could go on and on about my new home, but instead I am going to pray that you get to move here yourself on day but, before I go, let me give you my new address:

P.S. I don't have a phone, but you can always call on God. If you don't know his number, read your Bible, it's listed on every page.

The Obituary

"God saw you getting tired and a cure was not to be, so he put His arms around you and whispered, "Come to me." With tearful eyes we watched you as you slowly slipped away and though we loved you dearly, we couldn't make you stay. Your golden heart stopped beating, your tired hands put to rest. God broke our hearts to prove to us that He only takes the best."

If roses grow in Heaven Lord
Please pick a bunch for me
Place them in my Mother's arms
And tell her they're from me.
Tell her I love her and miss her,
And when she turns to *Smile*,
Place a kiss upon her cheek
And hold her for a while
Because remembering her is easy,
I do it everyday
But there is an ache within my heart
That will never go away
