

*Biker Angel please be my guide  
as I climb my scooter to ride.  
Let your halo guide the way and  
keep me safe from harm today.  
Let your wings provide the wind and air  
and send it coursing through my hair.  
Show to me a sunny place and  
let it shine upon my face.  
Keep the clouds and rain at bay and  
keep me dry through the day.  
Watch the brothers and sisters who ride with me  
keep them safe and close to thee.  
Keep my wheels upon the ground  
so I'll return safe and sound.  
But should disaster be my fate,  
guide through to Heaven's gate.  
If I must join my fallen brethren  
please show me the way to Biker Heaven.*

On behalf of the families we serve, we thank you for the love and support you have shown them by your presence at the visitation and funeral ceremonies.

At the time of grief, it is important for families to be reassured that people care about them.

There is great value in your support.
