On behalf of the families we serve, we thank you for the love and support you have shown them by your presence at the visitation and funeral ceremonies.

At the time of grief, it is important for families to be reassured that people care about them.

There is great value in your support.

God Saw Her Getting Tired

God saw her getting tired,
a cure was not to be.
So He put His arms around her
and whispered, "come with me."
With tearful eyes, we watched her suffer
and saw her fade away.
Although we loved her dearly,
we could not make her stay.
A golden heart stopped beating.
Hardworking hands to rest.
God broke our hearts to prove to us
He only takes "the best".
