THE OBITUARY

Ms. Willie Mae McCain, daughter of the late Mr. William and Ora Meekins, was born on June 17, 1911 in Scotland County. She departed this life on June 28, 2017, in her home in Raeford, North Carolina.

Willie Mae received her education with Hoke County Schools. However, at the tender age of fourteen, Willie Mae only completed eight grades of schooling. During her era, the eighth grade was the maximum grade limit for schooling. She then went on to become a laborer in various capacities providing for her family.

Also at an early age, Willie Mae committed her life to Christ. Being a faithful member and steward at the Mt. Calvary Church, Willie Mae later joined the Mt. Carmel Deliverance Church World Outreach Ministries where she also served as a faithful member and steward until her health would no longer allow her to attend church. Mother McCain served as the eldest mother of the Mt. Carmel Church until her death. Willie Mae was willing to give a helping hand and an encouraging word to anyone who passed her way, all the while of sitting in her favorite pew spot bopping her head and bouncing her feet to the sounds of the church's music. Mother McCain was loved by many.

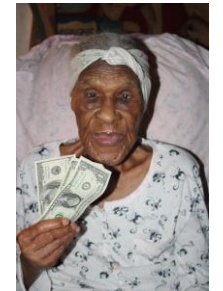

She was joined in Holy Matrimony to the late James Cook, who fathered her first set of children, who all have preceded her in death. Her final marriage, at the age 80 to the late Willie Martin McCain, who also preceded her in death, allowed Willie to marry once again but solely for companionship.

Also preceding her in death were twelve siblings, who were also born to her mother Ora.

Those who leave to cherish her memories are: children Elder Willie Jean Bronson (Calvin), Alex Campbell of the home, Reverend Joseph Campbell (Linda), and Vivian Breeden of the home, all of Raeford, NC; thirty grandchildren; sixty-two great grandchildren; and five great, great grandchildren; one special friend, Ms. Betty Mobley,

who also preceded her in death; a special aid worker Amelia Hollingsworth, and a host of nieces, nephews, loved ones, family, and friends. Lastly but not least, a hearty thank you to Liberty Hospice Services and Carrieing Home Health Inc. for providing wonderful services also during the life of our beloved Willie Mae.

Let us assist with keeping Willie Mae's long life an honor and legacy. The Willie Mae McCain Opportunity Scholarship (WMMOS), founded in June 2015, is a very special way to celebrate and commemorate the life of our dear and loved Willie Mae. Her scholarship will continue to honor her by assisting student(s) who wish to attend a college/university.

Missing You

By Vickie Campbell, granddaughter

Grandma, not really sure what to say but you were more than just my grandmother but you were like another mother to me too. You and I had a relationship that no one may ever understand. You had a hand in raising me and I will always cherish that including the good and bad times that we shared together.

My heart does ache for you to come back to us but I do know and understand that your body had grown weak and tired and that you were ready to go, but my heart may never understand. My pain will get better as time goes on but that will not stop me from missing you now.

You were my best friend. The other day when you told us that you loved us, I decided to hold onto those dear words until we meet again.

Rest on now my sweet Willie Bill. You will never be forgotten. Heaven has gained an angel, my angel. With all my heart and soul I will love you always.

Your twin, Vickie Denise Campbell
