"I'm Free"

*It seems as though it was yesterday.
I was looking at your smile.
If I could hear you laugh again,
It would be worth the while.
Although I can't see you right now,
I know you're smiling again.
I only wish that we all could see,
How fortunate you are to be with God in Heaven.
Free of sin, free of heartache,
Free of all the pain and hurt.
Free to fly away and be with God,
And free to leave this sinful earth.
Moma has touched the hearts of many,
And our love will endure forever.
We have to be there for each other,
More now than ever.
If you knew my Moma then you also know,
That she would never complain.
No matter how hard the pain,
She would always say, "Huh, I'm Okay!"*
