

To lose someone I loved so much brings pain beyond belief.

There are no words to ease my pain, my sadness and my grief.

I feel I've lost someone so close, so wonderful and dear.

I think about your special ways and wish that you were near.

But although you have left this world, you'll stay within my heart.

Guiding like an angel even though we are apart.

For love is everlasting and so are my memories.

Your legacy that's always there to light the way for me.

Mom, you exemplified what it means to be a mother. You always loved and sacrificed for us.

Thank you for always being there, thank you for cheering me on, thank you for endless love, support and care.

You fought to the end so bravely and honorably. We will always keep your love in our hearts. We have so many memories that will live with us for a lifetime.

Mom, you embodied a gentle kindness, always wearing the sweetest smile that we will miss.

We love you always and forever MOM.
