## **Sudden**

You left so sudden, you didn't have time to say goodbye. We all ask questions, but only God knows why. You packed your bags with tender loving care. Lord, all we could do is look and stare. Time after time you reminded us you had to go, now you tell us, "Don't cry for me I'm at peace now. I've done what I needed to do! God's love is true, believe in God and He will see you all though. I told a very close friend of mine, Willie Maw Southerland, my old bill is paid up, charge it to my new bill. I made it over!!

Robert always made people laugh at any dull moment. Laughter always was a joy of happiest to him.

## Come To Me

God saw you were getting tired and a cure was not to be, so He put His arms around you and whispered, “Come to Me”! With tearful eyes, we watched and saw you pass away, although we loved you dearly, we could not make you stay. Your wonderful life has ended, your tried body needed rest. God broke our hearts to prove to us He only takes the best.
