Now I See

*During my life on earth,
I have seen good times and bad.
I have seen joy in the mist of sorrow,
And I have seen giving by those who never had.*

*I have seen people who love,
I have seen people who hate,
I have seen people who were always calm,
And I have seen people who were always irate.*

*I have seen people who care,
I have seen people who don't,
I have seen people who share,
And I have seen people who won't.*

*I have seen people who felt that all is lost,
I have seen people who knew
That Jesus paid the cost.*

*I have seen people who knew how to pray,
I have seen people who didn't know,
I have seen people who didn't believe,
And I have seen people
Repent before their time to go.*

*I have seen much in my short time,
And I leave it all behind.*

*For now I see with a different sight,
The wonders of God in a new time.*

*And now that I see through a different sight,
I will leave this good thought with you.
An eternity of good times, Joy, Love, Giving,
Caring and Praising can one day be yours too.*
