*We Love You Here On Earth*

*I'm going to miss you dearly. I'm going to miss those early morning phone calls for breakfast, asking you, have you ate anything yet? You would say, Gary fixed me some grits, eggs and toast before he left this morning. Then later on, I would asked you what you want to eat for supper - Chicken Pot Pie from KFC was what you wanted everyday.*

*I love you Moma, but God love you best. He called your name and you answered the call. I truly can say that I was blessed.*

*Fly high Mother, you have earned your wings, and heaven has gained another angelic angel.*

*We love you,*
