For All Is Fully Well

All is well.

It is truly well.

*When you weep, allow the tears to fall,
For the joy of the beauty we shared together.*

*Permit them to be vestiges of the truths,
Which thrive between us.*

*Treasure them as a testimony to the love
Our lives are immersed in.*

*Let them droplets of healing
Casting forth into the river of life,
Flowing endlessly into the forever sea of peace.*

*I prefer that you smile with me.
It is my blessing to once more be free
Of pain and of challenge.*

*There is nothing to fight against now,
For all is fully well.*

*Remember that I want to live,
Not merely for me, but especially for all of you.
There were dreams I wished to watch manifest
And precious times yet to be.
And so I shall be with you each and every day.*

*I had to leave the vessel
Which served me in my earthly life,
But my spirit remains in its own way to love you
As I always have and always will.*

All is well.

It is truly well.
