How Grateful I Would Be To Just Have One More Day

*If I could have just one more day
And wishes did come true,
I'd spend every glorious moment
Side by side with you.
Recalling all the years we shared
And memories we made,
How grateful I would be
To have just one more day.
Where the tears I've shed are not in vain,
And only fall in bliss,
So many things I'd let you know,
About the days you've missed.
I wouldn't have to make pretend
You never went away,
How grateful I would be
To have just one more day.
When that day came to a close,
And the sun began to set,
A million times I'd let you know
I never will forget.
The heart of gold you left behind,
When you entered Heaven's gate.
How grateful I would be
To have just one more day.*
