

*My Angel Up In Heaven*  
My angel up in heaven, We wanted you to know,  
We feel you watching over us, everywhere we go.  
We wish you were with us, but that can never be,  
Memories of you in our heart, that only we can see.

*My angel up in heaven, I hope you understand,  
That we would give anything, if we could hold your hand,  
We would hold you oh so tightly, and never let you go.  
And all the love inside of me, to you we would show.  
My angel up in heaven, for now we are apart,  
You'll always live inside of us, deep within our heart.*

*Love Always, Robert, Antwon, Tiffany and Shae*

*Our Dear Aunt Aggie  
Our heart has been broken since  
the day you had to go.  
And the memories we treasure dearly  
are in tears that still flow.  
An aunt is a special gift  
received from God above.  
He starts with compassion,  
then adds an abundance of love.  
She taught us to do so many things,  
caring for us like we were her own.  
We could talk to her about anything, always welcoming  
us to her home. Her dedication was unconditional,  
to that there is no end.  
And as we got older, she became more like a friend.  
She had tremendous faith in us,  
she just had that special touch.  
It's no wonder then dear aunt, why you are loved so much.  
You're in our thoughts everyday and that's how it  
will always be!  
Forever our lady, we love you more!  
-Loving Nieces and Nephews*
