“For Elizabeth”

Legacy Of Love

*A mother, a grandmother too,
This is the legacy we have from you.
You taught us love and how to fight,
You gave us strength, you gave us might.
A stronger person would be hard to find,
And in your heart, you were always kind.
You fought for us all in one way or another,
For all of us you gave your best,
Now the time has come for you to rest.
So go in peace you have earned your sleep,
Your love in our hearts, we will eternally keep.*

*We Love You!
Forever In Our Hearts
The Children*
