*As I sit in Heaven
and watch you everyday
I try and let you know with signs,
I never went away.*

*I hear you when you're laughing,
and I watch you as you sleep,
I even place my arms around you,
to calm you as you weep.*

*I see you wish the days away,
begging to have me home,
So I try and send you signs,
so you know you're not alone.*

*Don't feel guilty that you have life,
Life that was denied to me,
Heaven is truly beautiful,
just you wait and see!*

*So live your life, laugh again,
enjoy yourself, be free
Then I'll know with
each breath you take,
you'll be taking one for me.*

Weep Not For Me

*Weep not for me though I have gone,
Into that gentle night.
Grieve if you will, but not for long,
Upon my soul's sweet flight.*

*I am at peace, my soul's at rest,
There is no need for tears.
For with your love I was so blessed,
For all those many years.*

*There is no pain, I suffer not,
The fear is now all gone.
Put now these things out of your thoughts,
In your memory I live on.*

*Remember not my fight for breath,
Remember not the strife,
Please do not dwell upon my death,
But celebrate my life.*
