

Remember My Smile

Remember my smile,
When you came by to say hi,
Remember my smile
When I laughed out loud,
Remember my smile
When we went out to eat
Remember my smile
When I saw you passing by,
Remember my smile
When I didn't want to talk,
Remember my smile
When you began to cry,
Remember my smile
When you say goodbye,
Remember my smile
For now my smile and I can finally rest,
Remember my smile.

*Although your gone
We will always be together
Your spirit will live on
In my heart forever.
God needed his angel
So you had to go
To a beautiful place
Where you will suffer no more.
I will miss our talks
And the sound of your voice
The hugs and kisses
I wont get anymore.
The special memories of you
Will always bring a smile
If only I could have you back
For just a little while.
I will always love you granny!*
