Gone To Soon

*Words cannot describe the loss I feel,
Saying farewell to you,
But heaven chose to give you wings,
And now it's time you flew.
I wish that we could have more time,
That God had let you stay.
Forever would not be long enough,
But I would take one more day.
I wish I had just one more chance,
To see that tender smile.
To laugh with you again my dear,
Just for a little while.
Gone to soon, but not forgotten,
Forever you will remain.
My guiding light, my shining star,
Until I see you again.*

My Grand Baby

My grand baby was a cute baby, who I thought would grow up and be a smart, successful lady.

But my God said come with Me, to a place where you can play all day, be happy and free.

The streets are made of gold for your cute little feet.

Family do not cry for me, for I am playing on gold streets.

Be happy and do not weep.
