Brother

*You gave no one last farewell,
Nor ever said good-bye.
You were gone before we knew it,
And God only knows why.
A million times we will miss you,
A million times we will cry.
If love alone could have save you,
You never could have died.
In life we loved you dearly,
In death we love you still.
In our hearts you hold a place,
No one else can fill.
It broke our hearts to lose you, but you didn't go alone,
For part of us went with you,
The day God called you home.
We will meet again someday, I know in a better place.
I thank God He made you our brother,
While you were here on earth.*

RECESSIONAL

My Love, My Best Friend Getlow...

Wow, I think I will begin where I met you...It was at the club and I liked your clean shoes. We started talking and boom, we were in a relationship.

We had some tough times and had a lot of good times, but we always loved each other. I will add that we were the best dance couple.

You would do anything for me if you could and I would do anything for you. That's why you were my love and my best friend Getlow.

I thank you for being a good man and a good father to Jasmine. She is just like you and me and what a combination.

I'm missing you already and I wish you were still here with me. If I could only turn back the hands of time, but I won't be selfish about it.

You fought to live in your own way. You loved your family and my family.

I thank you for being a wonderful man. I love you and I feel comfort knowing you are with God.

Sleep in peace My LOVE, My Best Friend GETLOW ~ **"Rodney L. McGougan"**.

Love Always ~ Mary
