The Cord

We are connected,
My child and I, by an invisible cord,
Not seen by the eye.
It's not like the cord
That connects us 'til birth.
This cord can't be seen
By any on Earth.

This cord does it's work right from the start.
It binds us together, attached at the heart.
I know that it's there though no one can see.
The invisible cord from my child and me.

The strength of this cord is hard to describe.
It can't be destroyed, it can't be denied.
It's stronger than any cord man could create.
It withstands the test, can hold any weight.

And though you are gone,
Though you're not here with me,
The cord is still there, but no one can see.

It pulls at my heart,
I am bruised...I am sore,
But this cord is my lifeline as never before.

I am thankful that God connects us this way,
A mother and child,
Death can't take it away!
