

IN *Loving*  
MEMORY *of....*

I stand here today with a broken heart and loss of understanding due to the loss of my cousin/brother/best friend. During this past week, and unsurmountable odds, I refused to prepare myself, I wasn't ready and I'm still not ready. Tony, I thank you for allowing me to be the Godmother of your princess. Thank you for being my confidant and helping me to wipe away all of my tears. Thank you for never judging me but listening to me. I'm happy to have been able to cherish these last couple of years with you but it saddens me that I have to find a way to let you go. I will continue to be the best Godmother to your child that I can, as expected. Rest in peace; and never ever stop putting a smile on your baby girl face because me and her mom (Tierra) got this.

Love Kimberly Iesha Jackson your cousin & best friend.  
Daddy is my best friend! Love Alyssa
