## Memories

## Letter From Heaven

To my dearest family, some things I'd like to say.

But first of all, to let you know, that I arrived okay.

I'm writing this from heaven.

Here I dwell with God above.

Here, there's no more tears of sadness; Here is just eternal love.

Please do not be unhappy just because I'm out of sight.

Remember that I am with you every morning, noon and night.

That day I had to leave you when my life on earth was through.

God picked me up and hugged me and He said, "I welcome you.

It's good to have you back again, you were missed while you were gone.

As for your dearest family, They'll be here later on.

I need you here badly, you're part of my plan.

There's so much that we have to do, to help our mortal man."

God gave me a list of things, that he wished for me to do.

And foremost on the list, was to watch and care for you.

And when you lie in bed at night the day's chores put to flight.

God and I are closest to you....in the middle of the night.
