

*Jesus Knows*

*Only Jesus knows the pain that we feel;*

*he is the only one that can heal.*

*Only Jesus knows how much we can bear;*

*he is present when nobody else is standing there.*

*Only Jesus knows how to comfort in a time of need;*

*he knows how to guide, and take the lead.*

*Sometimes we don't understand Jesus' plan;*

*but in everything,*

*trust him and take his hand.*

*See he knows our future and struggles too;*

*he knows how to bring us joy,*

*with him we can never lose.*

*So keep your head up and never lose sight;*

*because Jesus is the way, the truth, and the light.*

# *Gone but Not Forgotten*

Don't think of her as gone away

Her journey's just begun,

Life holds so many facets

This earth is only one.

Just think of her as resting

From the sorrows and the tears

In a place of warmth and comfort

Where there are no days and years.

Think how she must be wishing

That we could know today

How nothing but our sadness

Can really pass away.

And think of her as living

In the hearts of those she touched

For nothing loved is ever lost

And she was loved so much.
