## FOREVER IN OUR HEARTS

We are sitting here looking at your picture,  
Wondering why you couldn't be a part of our future.  
Uncontrollable tears stream down our face,  
While our heartbeat starts to race.  
Asking God why he took you from our life,  
It was more painful than stabbing us in the heart with a  
knife.

We still needed you here.  
You were the one to make everything so clear.  
You are a part of us, and we are a part of you.  
When you died, a part of us died too.  
I never knew how hard it was to lose someone you love,  
Until the day you went to heaven above.  
Even though we can't see,  
We know you're up there watching over us.  
We miss you more and more every day,  
And all we can do is pray.  
In our heart you shall forever remain.
