WHAT CONSTITUTES SUCCESS

*He has achieved success who has
lived well, laughed often and loved much;
who has gained the respect of intelligent men
and the love of little children;
who has filled his niche
and accomplished his task;
who has left the world better than he found it,
whether by an improved poppy,
a perfect poem, or a rescued soul;
who has never lacked appreciation
of earth's beauty or failed to express it;
who has always looked for the best in others
and given them the best he had;
whose life was an inspiration;
whose memory a benediction.*
