*A rose once grew where all could see,
sheltered beside the garden wall.
And, as the days passed swiftly by,
it spread its branches, straight & tall...
One day, a beam of light shone through
a crevice that had opened wide---
The rose bent gently toward its warmth
then passed beyond to the other side...
Now, you who deeply feel its loss,
be comforted, the rose blooms there---
its beauty even greater now.*
