Angela Marie Scott was born on May 27th 1966 in Portland, Oregon to Vivian and Henry B. Scott.

She went to Irvington Elementary School, then preceded to graduate from Gresham high school in 1984. She was athletic in high school and participated in track & field and gained several trophies. She loved art, writing and had a great love for animals.

Angela gave birth to five children: Johnie, Walter Jr, Anjelyne, Keauvay and Keauntay. Her children were the joy of her life, she loved her kids.

Angela accepted Jesus as her personal Lord and Savior. She understood where her helped came from and had no reservations to let you know that God is the author and the finisher of all things. She was grateful through it all and was faithful to the end. She would make meals for the homeless, using her own money. In the most recent years she spent her Sunday's ministering by transporting people to church. She was very caring.

She was a beloved mother. Angela is preceded by sons, Johnie and Walter Jr. She leaves behind 3 children: Anjelyne, Keauvay and Keauntay. Angela was also a proud grandmother to Vallen, Aleira and Tristan.

May she no longer be in pain and rest easy with Walter, Jay, and Roman.
