My Dear Loved Ones

These words I wish to say, I'm home up here in Heaven And here is where I'll stay. My pain and struggle is over; I'll rest in peace today. Although I know you'll grieve for me, Be strong, its going to be O.K. I'm in my eternal home Where there's everlasting light. I'm in the arms of loved ones, holding me so tight. Please try to carry on your life with me inside your heart. Someday you'll be rewarded and we'll never have to part. I'm glad we had so many years together you and I. You filled my life with happiness and gave me wings to fly. Just keep your faith; believe my words, you'll see the morning light. And know that I am with you every morning, noon and night.
