Recessional

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me.

I took His hand when I heard Him call,

I turned my back and left it all. I could not stay another day,
To laugh, to love, to work or play. Tasks left undone must stay that way,
I found that place at the close of day. If my parting has left a void,
Then fill it with remembered joy. A friendship shared, a laugh, a kiss,
Ah yes, these things, I too, will miss. Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow. My life's been full, I savored much,

Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief. Don't lengthen it now with undue grief.
Lift up your heart and share with me, God wanted me now, **He set me free.**
