God's Garden

God looked around his garden, and found an empty place.

He then looked down upon the earth,
and saw your tired face. He put His arms around you
And lifted you to rest. God's garden must be beautiful,
He always takes the best. He knew that you were
suffering, He knew that you were in pain.
He knew that you would never get well on earth again.
So He closed your weary eyelids and whispered
"Peace Be Thine." It broke our hearts to lose you
But you did not go alone...For part of us went with you
The day God called you home.
