

*In Loving Memory
of a Special Husband*

*Sometimes I just sit quietly,
reflecting for a while; imagining
your voice, your face, your warm
And loving smile.*

*For its so lovely to recall the happy
times we had, when you played such
a special role as both
husband and dad.*

*And at this very special time I only
wish you knew that I'd give all the world today for
one more hour with you.*

*But I still have my memories, and since we've been
apart, it comforts me so much to know that you're
right here in my heart. Forever loved, sadly missed
and always in my heart.*

Love, Brandi

Dad

*We'll always remember that special smile, that
caring heart, and that warm embrace you
always gave us.*

*You being there for mom and us, through good and
bad times, no matter what.*

*We'll always remember you Dad, because there will
never be another one to replace you in our hearts,
and the love that we will always have for you.*

Leyton and Bryanah***

He Only Takes the Best

God saw that you were getting tired,
A cure was not to be.
So He put His arms around you
and whispered, "Come with Me."
With tearful eyes, we watched you suffer,
And saw you fade away.
Although we loved you dearly,
We could not make you stay.
A golden heart stopped beating,
Hard working hands to rest.
God broke our hearts to prove to us
He only takes "the best".
