"Someone Special"

*When I think of someone special, I think of you.
You did so much for others that did so little for you.
When I think of someone special, I think of you.
Always willing to help and do whatever you could do.
When I think of someone special, I think of you.
A friend to everyone and everyone a friend to you.
When I think of someone special, I think of you.*

**Your Loving Daughter,
Tabitha**
