

Poem

*Life is but a stopping place,
A pause in what's to be,
A resting place along the road
To sweet eternity.
We all have different journeys,
Different paths along the way,
We are all meant to learn something,
But never meant to stay...
Our destination is a place
Far greater than we know,
For some, the journey's quicker,
For some, the journey's slow.
And when the journey finally ends,
We'll claim a great reward
And find an everlasting peace,
Together with the Lord.*

He is Gone

*You can shed tears that he is gone,
Or you can smile because he lived,
You can close your eyes and pray that he will come back,
Or you can open your eyes and see all that he has left.*

*Your heart can be empty because you can't see him
Or you can be full of the love that you shared,
You can turn your back on tomorrow and live yesterday,
Or you can be happy for tomorrow because of yesterday.*

*You can remember him and only that he is gone
Or you can cherish his memory and let it live on,
You can cry and close your mind be empty
and turn your back,
Or you can do what he would want: smile,
open your eyes, love and go on.*
