Farewell My Family

Farwell My family, don't weep

For I'm at peace now, just asleep

*Farewell my family, I'm not alone the
"Mighty Maker" has led me safely home.*

Just think back over the years,

How the family seemed so strong, holding back tears.

Yet God somehow always mad e a way and

I thanked him every night for another day.

Be good my family, always love each other

Be a thoughtful sister and a kind brother.

Be strong my family, strong in heart

The blood lines no one can ever part.

And if somewhere I made a mistake

As you live, many you will make.

Farewell my family, I've been called away

Walk with God, trust in God

For He is by your side.
