Miss Me But Let Me Go

*When I come to the end of the road
And the sun has set for me
I want no rites in a gloom-filled room
Why cry for a soul set free?*

*Miss me a little-but not too long
And not with your head bowed low
Remember the love that we once shared
Miss me-but let me go*

*For this is a journey that we all must take
And each must go alone.
It's all part of the Master's plan
A step on the road to home*

*When you are lonely and sick of heart
Go to the friends we know
And bury your sorrows in doing good deeds
Miss me but let me go.*
