

God Saw You Getting Tired

Unknown Author

*God saw you getting tired and a cure was not to be
so he put his arms around you and whispered,
"Come to Me"*

*With tearful eyes we watched you
and saw you pass away
and although we love you dearly
we could not make you stay.*

*A golden heart stopped beating
hard working hands at rest.
God broke our hearts to prove to us
He only takes the best.*

Acknowledgements

Words cannot adequately express the gratitude we have for our family and friends who have consoled us during this time of bereavement. Your presence, prayers, love, and many acts of kindness have truly sustained us. Again, we say Thank You and may God continue to bless you all.

~The Family

What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.
