After Glow

*I would like the memory of me,
To be a happy one,
I would like to leave an afterglow
Of smiles when life is done.*

*I would like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright and sunny days.*

*I would like the tears of those who grieve,
To dry before the sun
Of happy memories that I leave behind
When life is done.*
